EXPO Z - INTERNATIONAL BOOTH BUILDER

ALL THE WAY, IS THE ONLY WAY TO GO

Let's face it

Meeting new customers, that's the reason why you bring your business to events.
You want to **stand out**, but how do you start?

What you need is an exhibition booth that brings your brand to life and transforms your message into **an unforgettable experience** for your customers.

A booth builder with over 20 years of experience like Expo Z,
can help you **achieve your goals**.

Fred Okhuijsen - CEO

LET US SHOW YOU

3 STEPS TO THE BEST EXHIBITION BOOTH

Everything is possible when you have the right people to support you.

At Expo Z every project manager is responsible for your booth from start to finish.

We guide you through the entire project so you can attend the trade show carefree.
We are there to help you.

STEP 1

INSTRUCTIONS

„Our story begins here“

The most important thing for us, is **to listen to your story**.
Only by knowing your identity, your needs and your goals, we can **exceed your expectations**.

Do you have a concrete idea, a crazy proposal or do you want to give us carte blanche?
Let's sit down and talk everything through.

STEP 2

DESIGN

„Because every new design, tells a new story“

With your story in mind, our in-house designers will take **every detail** into consideration.

They use **the latest technology and materials** to make your stand meet your expectations, within your budget. With their creativity and innovative designs they will sweep you off your feet.

Not only do we want your booth to have **a lot of impact**, we will do everything in our power to ensure that you have **a successfull experience** working with us.

STEP 3

REALISATION

„More flexibility, more quality“

Our **in-house print studio** will prepare the visuals for your booth.

In mean time, our **in-house carpenters** sharpen their craftsmanship to create the structural elements. They know every detail of your booth by the time it is ready to be build. Therefore they will take care of transportation and construction on-site themselves.

Have you noticed that we do a lot in-house?
That's because we want to offer you **the best service and price**.
If you want a last minute adjustment, the job is easily done.
